

WHY PARTICIPATE IN THE *WITS* CAMP?

- Hands-on activities in a college environment
 - Create movies of virtual worlds
 - Learn about campus life at TAMUCC
 - Meet other young women from the Coastal Bend area
 - Priority consideration for a \$1,000 scholarship to attend TAMUCC
 - Meet and talk with successful women in technology
-

2009 SUMMER CAMP

JULY 26 – AUGUST 1
SUNDAY THRU SATURDAY

HOSTED BY:
Texas A&M University
Corpus Christi

<http://wits.tamucc.edu>

ABOUT THE CAMP

The **W**omen **I**n **T**echnology **S**ummer camp is for young women between their junior and senior years in high school. The camp is designed to introduce young women to the fields of computer science and engineering technology. The camp includes housing, 3 meals a day, all necessary books and supplies for scheduled sessions, and t-shirts.

Participants in the camp will arrive on campus on Sunday afternoon. After checking into the dorm, they will meet the faculty, resident advisors, and student assistants for dinner.

On Monday morning, participants begin sessions that will include creating virtual worlds using Alice, engineering technology, critical thinking, and software skills. Sessions will run from 8:00 AM to 4:00 PM with breaks and lunches.

Saturday will wrap up with a half-day of sessions followed by a farewell lunch.

Participants who successfully complete the camp will be given first consideration for \$1,000 scholarships to attend TAMUCC that will be awarded when they graduate from high school.

MEET YOUR CAMP DIRECTOR

MS. PHYLLIS TEDFORD:

Ms. Tedford teaches computer science, including Alice. She is also the WITS camp director. She received her Master's of Science in Computer Science from Texas A&M – Corpus Christi in 2001. Her undergraduate degree is in Medical Technology.

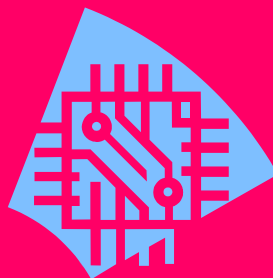

**For information and to apply,
contact your high school counselor**

or

**Ms. Phyllis Tedford at
phyllis.tedford@tamucc.edu.**
